San Francisco, CA

Dr. Parke has no financial relationships with commercial interests to disclose

INTENT and OVERVIEW of the ANNUAL MEETING

More efficient detection and treatment of ophthalmic conditions and diseases are constantly being discovered and acted upon. This program is based upon the need to apprise local physicians of the diagnostic modalities and treatments being utilized at teaching centers and ophthalmologic offices across the country.

Meeting Objectives

At the conclusion of this meeting, participants should be able to:

- Provide an overview of OCT artifacts and how they can affect Glaucoma diagnosis and treatment
- Describe the incidence of Glaucoma in West Africa based upon the study conducted from 2006 - 2008
- Outline what must be done to determine need for Iris repair and/ or replacement
- Explain the various options available to suture IOLs
- Identify the alternatives available to those with complex cataracts
- Provide the pros and cons of visual field testing in Glaucoma
- Illustrate the advantages of utilizing an ophthalmology specific pathology lab
- Provide the benefits of early diagnosis of orbital infections

REGISTER ONLINE AT WWW.PGHOPH.ORG

No refund for unused reservations.

Fee includes continental breakfast, luncheon, refreshments, CME credits, and Friday evening dinner at the Duquesne Club. There is no fee adjustment if not attending Friday evening meal.

Accreditation Statement

Allegheny General Hospital is accredited by the Accredited Council for Continuing Medical Education to provide continuing medical education for physicians. Allegheny General Hospital designates this educational activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

Joint sponsorship Accreditation Statement:

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Allegheny General Hospital and the Pittsburgh Ophthalmology Society.

Faculty Disclosure Statement: In accordance with the Accreditation Council for Continuing Medical Education (ACCME), the Association of American Medical Colleges (AAMC) Standards and the policy of Allegheny General Hospital, presenters are asked to indicate if they have any relationship, which, in the context of their presentation could be perceived as a real or apparent conflict of interest (e.g. ownership of stock, honoraria or consulting fees). Any such relationship will be disclosed to the audience and consideration will be given to possible influence of their presentations.

The Annual Meeting (physician program) and all other continuing medical education programs sponsored by the Pittsburgh Ophthalmology Society will be open to physicians and physicians in training only. The continuing medical education programs sponsored by the Society are intended for an audience of participants with a prerequisite medical education. CME credits will be awarded only to the intended audience.

Contact the Omni William Penn Hotel (412/ 281-7100) if overnight accommodations are needed at the group room rate of \$169. Room rates available until March 7th.

Visit each of the sponsor tables to be eligible to win 1 of several great prizes.

You must collect a business card from a representative at each of the company tables and give to staff at the registration desk
